SAFE, SECURE & STRONG

Safety and security are important to everyone.

According to Home Office official crime statistics 67% of burglars break in through the door, so that's why we only use the very best quality multi-point locking systems to keep your home and family fully protected.

Our doors are manufactured with a reinforced door frame and secured with a multi-point lock with two hooks, two finger bolts and a deadbolt. Premium adjustable hinges and keeps meet the latest standards and legislation.

Snap Secure Technology

Patented Active Snap Protection. Creates a barrier to entry if attack is detected.

Your Security Guaranteed

ABS 3* Diamond grade locks come with a £2000 snap secure guarantee.

Sold Secure Diamond

Master Locksmiths tested to the highest standard possible.

Secured By Design

Police preferred specification from the Police Crime Prevention Initiative.

TS007 3 Star Accredited

Stamped with the British Kitemark and 3 star standards.

SELECT YOUR LOCK

STANDARD LOCK

Then by using the key or thumbturn it will lock the door.

AUTO-ENGAGE LOCK

By turning the thumbturn or the key the deadbolt will be engaged.

DOOR CONSTRUCTION

- All cores are manufactured with the latest technology using thick GRP (Glass Reinforced Plastic) skins.
- Doors are available in 7 standard colours and any RAL of your choice using the latest spray paint technology.
- All doors have excellent thermal efficiency with doors achieving a U-Value of 1.4 or better.
- Due to the structure and components of the door leaf, they have excellent acoustic properties.
- Tested to the latest tough standards of PAS24.
- Door leaf structure has a 25 year life expectancy.

SAPPHIRE RANGE

- Thick GRP (Glass Reinforced Plastic) skins ensure no cracking or delaminating.
- High density polyurethane core provides exceptional thermal efficiency.
- Door leaf structure has a 25 year life expectancy.
- Stability from the elements with its inner core of LVL (Laminated Veneer Lumber) encased with composite stiles and rails for protection against any water ingress.
- Composite doors are more thermally efficient than standard PVC or timber.

NEW DIAMOND RANGE

- Thermoplastic skin. No cracking, no-delamination 4mm thick skin.
- Encased LVL (Laminated Veneer Lumber) & hardwood stiles and rails for stability and protection against water ingress.
- 3 layered inner core of cross laminated engineered hardwood, creating a stronger, heavier and more robust door.
- Created from the best of both traditional and modern materials.

New diamond range, Callisto & Orion are not available, and the only colour options are White, Agate, Anthracite, Silver Grey-RAL7001, Slate, Pebble Grey-RAL7032, Black/Brown, Blue, Chartwell Green, Cream, Duck Egg Blue, Green, Red, Rosewood, Golden Oak, Irish Oak.

DOOR STYLES
